

I am nominating Sergeant Quinton Hollis from Jackson County FL Sheriff's Department in Marianna, Florida. Quinton has problems with his eyesight. He has to wear two different pair of glasses. One for reading, another for driving. He is unable to wear bifocals or contacts. I have known Quinton for many years. He is honest and selfless. He is very dedicated to his job as a family man and law enforcement officer. Quinton is always there to help anyone he can. I would like to help him.
